## 2016 NVSC MEMBERSHIP RENEWAL NOTICE

2015 was another terrific year. The club maintained many of the same activities and enjoyed seeing more new members. It is now time to renew our membership for the coming year. This will be the only renewal notice that you will be sent. If you didn't attend at least one meeting or the work party during this membership year you will be required to pay a \$25 non participation fee with your renewal. Things are a little this year with regards to the work party and meeting attendance. Our membership year has changed to June 1-May31st so if you attend a meeting or this year's work party the 2<sup>nd</sup> Saturday in May you can still avoid the \$25 additional fee. Please don't send in your renewal without the nonparticipation fee if you haven't already attended a meeting as you will not receive your card and gate combination. You can go to the website to see the list of those who have already attended a meeting for this year.
