THE RANGE SAFETY PLAN SIGN OFF SHEET
REQUIRED TO BE SIGNED FOR RANGE USE

Print member name _____

I have received or read on the website and understand and will comply with the Range Safety Plan. This plan includes range rules, general rules and Administrative rules. I have also read the Waiver and Release form and agree to hold the club harmless for anything included in the waiver.

I will not give the combination to the gate to anyone, including my junior members under 18 years old.

As a member of the club, I will do my best to see that the rules are complied with by all people using the range. I will report any infractions that I do not feel qualified to correct to a club officer.
